Hi Melanie,

To my knowledge, so far the RCMP has used the financial crime provisions. No other areas applied to date.

Importance: High

Secondary question:

I'm aware of the weariness and differences in opinions in applying the new provisions by the legal counsels of the various law enforcement agencies. I have heard this is being worked out.

Do we know of any usage across the country on the new provisions at this time? (question for ROCC) If we cannot get an answer to this tonight, then I can leave it as unknown, but we will require this information tomorrow.

So far the RCMP has used the financial crime provisions. I have not heard of any other provisions being used, so it would be very good to know if we have.

Thank you very much,

Melanie

Hi Melanie,

I can confirm I have shared the 2 placemats within my silver command group (OPP and OPS) and also with Michele and Rich, Mike O'Beirne, Phil Lue, and Matt Bertrand.

Mike O'B advised this placemat will be part of the briefing package for police officers arriving in Ottawa to support OPS (that the RCMP has mobilized/coordinated).

Good Evening,

Is anyone able to confirm that the 2 placements produced by Legal for the frontline officers, was disseminated broadly across the country and to all police agencies?

I believe the ROCC was to take care of that.

Need this info ASAP for submission to PCO before 8.

Thank you,

Melanie
